STRONG MOMENTUM

SONG SELECTION

HEARTBEAT

Our passion and responsibility are to lead people into worship and help them to take their eyes off themselves and connect with Jesus.

We worship God first because of who He is and not because of what we can get out of it. We believe worship is more than just singing songs with each other. It is an expression of a life devoted to the One who saved us. It is a willful act, responding to what He has done for us.

Our worship style is based on the vision and values of ICF. That is why we work hard to make sure that our teams understand and lead according to our ICF Movement DNA.

We understand our role as one piece of a larger picture. That's why we nurture the relationships within our own teams and with the ministries we work together (technics, pastoral, production, etc).

WE BUILD STRONG MOMENTUM

We look for significant moments where the whole congregation can recognize and encounter Jesus and respond with passionate worship to what is happening in the natural and the supernatural.

We choose our songs to create a flow and momentum during our set.

Momentum doesn't always mean loud and full, it can also be fragile and quiet, highly creative or very simple.

Momentum, in the worship set as well as the Celebration, can be spontaneous and planned.

We see our worship set as part of the whole Celebration and aim to create a flow in collaboration with the MC and pastor.

WE ARE WELL PREPARED AND STAY FLEXIBLE

We give our very best in preparing for the Celebration but stay open and flexible for spontaneous changes and feedback:

We believe God speaks to us in our planning and rehearsing.

We believe God speaks to us during the Celebration.

We believe God speaks to us through our leaders and peers.

WE LEAD SENSITIVELY AND FEARLESSLY

We are sensitive to feel the people as well as what the Holy Spirit wants to do.

We lead fearlessly with our words and body language to help people engage in worship.

SONG SELECTION

We are careful to choose our songs, so they radiate the values of ICF and not the personal taste of the worship leader or pastor.

ICF WORSHIP SONGS

We believe that our own songs strengthen unity in our movement.

WORLD HITS

We sing current world hits of mainstream worship music sung by lots of churches across the globe.

THE RIGHT SONG IN SEASON

We choose our songs wisely so they serve the setting and season the church is currently in without compromising our values. We only use some songs for specific message series or events and they are not part of the default song pool.
